## DESIGNING BUSINESS EXCELLENCE

TAX SERVICES · CONSULTING SERVICES · FINANCIAL STATEMENTS

PERFORMANCE-BASED COMPENSATION PLANS · SUCCESSION PLANNING

Through our extensive knowledge and active involvement, Somerset has a solid commitment and real understanding of the architecture and engineering industries. In addition to traditional accounting services, we focus on providing value-added services to improve systems and controls, identify key performance indicators, set benchmarks and develop performance-based compensation plans and business succession plans. Contact one of our A/E experts today to find out how Somerset can customize our services to fit your specific needs.

# Protecting your relationships.

In the design and construction industry, there is no better way to protect your relationships than by using AIA Contract Documents. As the Industry Standard for over 120 years, our pre-drafted agreements and forms define the relationships and terms involved in your project, ensuring all parties are aware of expectations. Developed with input from key stakeholders, and recognized by courts across the country, AIA Contract Documents protect your project from start to finish.

Get Free Samples of the New AIA Documents at [www.aia.org/newdocs](http://www.aia.org/newdocs)
